Mission

“Savages Wharf will provide owners of power boats and yachts with a modern one stop facility, and professional personnel to enhance the enjoyment of owning a boat”.

Savages Wharf is the latest chapter in the family's 121 year maritime history that began in Victoria in 1898. Savages Wharf is located on the former site of Savage's Boatbuilding yard at Nelson Place Williamstown, just 15 minutes from the CBD. Savage's will provide Melbourne boat owners an exclusive facility offering a fully serviced yard with first class facilities.

We look forward to being involved with great times on and off the water and helping you enjoy your boat. When you become part of the Savages Wharf family, you are automatically part of the "Savages Wharf Club"
